

If you are looking for a consultant, look no more! Grand Consulting Service is a one-stop-shop!

In 2020, I was ready to transform my hobby into a business but was not sure what steps I should take financially. I was introduced to Tailyn who later became my bookkeeper. Tailyn is not only helpful but also professional, organized, and timely. She has also helped me manage and save over 20k+ in my first year of opening. I am pleased with Tailyn and Grand Consulting as a whole. **-Emaje R. Jackson <https://habits-co.com/>**
