

Basic Saving Tips

- Set a realistic financial goal
- Pay yourself first for your future
- If you spend more than you make you will always be behind
- Keep your spending and lifestyle in check (your spending habits can destroy you)

Who is ready to start saving, I am here to help?

Bookkeeping tips that can be used year round

- Find a good advisor
- Keep personal and business finances separate
- Plan for major expenses
- Reconcile bank accounts monthly
